PARKS AND RECREATION GIFT CERTIFICATES NOW AVAILABLE

The Oceanside Parks and Recreation Division is now offering gift certificates to residents redeemable for classes, sports or aquatic programs. The \$25, \$50 or \$100 gift certificates will be sold online or at the Parks and Recreation Administration office. These gift certificates will be available year-round. Customers will be given a unique gift card number and PIN number; this will simplify registration for customers when registering for recreation classes and activities.

Purchase them at https://apm.activecommunities.com/oceansiderec/Gift_Card_Search or by stopping by the Parks and Recreation Administrative Office at 300 N. Coast Highway in Oceanside.
