SUMMER READING PROGRAM FOR ADULTS AT OCEANSIDE PUBLIC LIBRARY

At Oceanside Public Library this summer, while children and teens are “Reading by Design” adults will be “Feline Doggone Good about Reading!” From June 5 through August 5, adults will be rewarded for reading and reviewing books. Grown-up readers can go back to when they were kids and make this summer all about relaxing and reading.

The Oceanside Public Library has some delightful events and prizes to encourage adults in Oceanside to take time for themselves, relax with their furry best friends and read some books! At sign up, readers will receive a ticket for the Library’s super exclusive Summer Reading Finale Party. After reading and reviewing three books, pick up a limited edition book tote designed by *Stack the Cats* creator, Susie Ghahremani (limited to the first 200). Other prizes include a \$2 off coupon, good at all Friends of the Oceanside Public Library Bookstore locations, and opportunity drawings for some amazing gift baskets; readers can choose cat, dog or bird-lover baskets. All book lovers can enter to win a Kindle Fire.

Go to oceansidepubliclibrary.org to sign up for summer reading or call (760) 435-5600 with questions. This is a free program sponsored by the Friends of the Oceanside Public Library.
